

# LED WARNING WHIPS

The FLAGSTAFF™ LED Warning Whip provides easy recognition of moving vehicles in a variety of applications. Each whip consists of a flexible 3 or 5 foot clear Lexan plastic whip containing multiple High-Vis LED white, amber, red or blue lights. Whip includes heavy duty flag and threaded mounting base for vehicle attachment. Accessory mounting brackets available. The vehicle battery provides power to the LED whip. Optional 9 volt battery pack available for vehicles without a power supply.

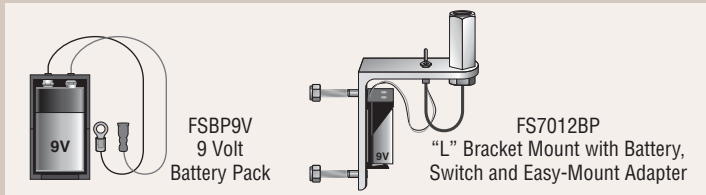

**Applications:**  
Construction Equipment, Mining Equipment, Pickups, ATV's, Dune Buggy's, Snowmobiles, Golf Carts, Boats, Bicycles, Scooters, Wheelchairs, etc.
